# AISAP SOUTH KOREA 2018 ITINERARY AND GUIDE

## PACKING SUGGESTIONS

- Clothes for summer weather
- Light jumper/ jacket
- Rain coat
- Comfortable shoes for walking
- Semi-Formal outfit for Gala Dinner
- Notebook and pens
- Access to sufficient funds (both cash and card options)
- Any visa documentation required for your citizenship
- Backpack/ day bag

## THINGS TO CONSIDER

- We are representing UNSW – always be respectful and responsible and bear in mind the University policies
- The tour has been structured to allow freedom and choice. However, for whole-group movements (such as departing for tours) it is vital you are timely and prompt. If you are running late or have any issues, make every effort to contact one of the student leaders or teachers
- You are responsible for ensuring you have the required travel documentation, ID and visas
- Carry cash, but minimise the amount you hold at one time – it is quick and easy to lose/ have your money stolen (although theft is uncommon in Korea)
- Ensure you have sufficient funds loaded onto your ATM/ debit card, or have access to a credit card. Internet may not always be available for you to transfer money
- Consider purchasing a local sim card/ pocket wi-fi or investigate the roaming options provided by your carrier
- This is the first time something like this has been run through the School of Aviation. Let's make it enjoyable, rewarding and trouble-free so that we can continue this in the future
